

UNIT 2: CHECKLIST

VOCAB

Know your vocab. Remember that adjectives have 4 forms, nouns have 2–4 forms, and verbs have 5 (4 in the present tense + infinitive). Listen to the new vocab.

Know the difference between יש and נמצא (Lessons 25), between פה, הנה, and זה (Lesson 17), and between צריך יש ל... (Lesson 27).

VERBS

Know all the verbs from Units 1 and 2:

- their meaning,
- the 4 forms of present tense as well as the infinitive, and when to use which.
- the typical prepositions associated with each verb (Lesson 22)
- pay careful attention to the pronunciation of the verbs; vocalize the verbs (with nikkud).

GRAMMAR

- זה vs. הזה. Remember that when the word זה begins a sentence, it means: THIS IS (and not just "this").
- אין ל... and יש ל..., and אין and יש.
- The אוגד (remember that נמצא is an אוגד).
- The preposition את — when to use it and when not to use it.
- The concepts of שורש (root), בניין (structure), and גזירה (sub-structure). The conjugations of בניין פיעל and בניין פעל.
- Nouns with plural suffixes that don't agree with their gender, as well as irregular nouns (Lesson 25). How to combine these nouns with adjectives and verbs.

INTERROGATIVES

Know all of the interrogatives in Lesson 28. Know the complex interrogatives (Lesson 29–30). Know your word order!

PREPOSITIONS

Know all of the prepositions from units 1 and 2. Know how to conjugate the prepositions ל and ש, and when (and when not) to use the conjugated forms. Know when to use ל vs. ב, when to use ל vs. עד. Remember that ל and ב combine with the definite article.

NUMBERS

Know the numbers from 1–10. Know how to ask and answer questions about phone numbers, house numbers, and age.
